BRISBANE TRANSSEXUAL

Attractive and very feminine. I am non-scene and am looking for a female or transsexual for a long-term relationship. I am financially secure and am paying off my lovely trendy home, in debt like all of us, I guess.

I have a good sense of humour and a great outlook on life. I enjoy being at home relaxing, whether it is relaxing in my tropical garden or watching television or playing games on the Internet. I seek that special person with whom I can share my life. I am located in Brisbane but if you happen to be somewhere else and would like to come here, then do write and tell me about yourself, if possible with a picture.

MODEL I'D CALL MYSELF, an EXCEPTIONALLY modern person, extremely attractive, with fashionable flair for sexy personalised signature label lingerie intimates, frocks, outer-wear. Would like to meet nice she-males in transition, very socially oriented, view f/ship and outings.

TRANSGENDER PRE-OP

MTF looking for somewhere to call home, with a relationship with a female woman. 53 years, dark hair, 5'9" tall, still developing. 80kg. Not good-looking but extremely sincere, trusting, honest etc. I'm open to go anywhere, still a worker. Have plenty of driving skill, love to travel (Australia only). I have plenty of good qualities, just need someone to bring them out. I'm the parent of four children and last count eight grand-children, i.e. no objection to kids!

Find out why so many people choose Advanced ...

For some, the permanent removal of hair is vital. Electrolysis has been used to remove hair for over one hundred years and remains the only method which is scientifically proven to **guarantee** permanent results, no matter what colour your hair or skin.

Advanced Electrolysis Centre was established by Jessica Reid in 1996 in Paddington, with the aim of delivering optimal standards in electrolysis.

When you come to Advanced Electrolysis Centre, you will receive:

- Treatment from a qualified and specialist electrologist with over ten years experience;
- The highest level of personal care and attention each and every time, from a practitioner to whom both Australian and international medical specialists refer their patients;
- The reassurance of being treated by a practitioner experienced in full beard removal, and who is conversant with the hair removal requirements for SRS;
- Permanent hair removal through the latest multi-probe galvanic 16 and 32 follicle equipment, in modern private premises;
- The peace of mind ensured by use of autoclave sterilization.

You can contact Jessica Reid on 02 9362 1992 for a free consultation, and obtain expert advice on how to be free of your unwanted hair for ever.
